**Submission version available here**

The submission version of the Bray Neighbourhood Local Plan is available to view online and at the Parish Office.

Bray Parish Council, on behalf of the parish council and the steering group, has submitted a neighbourhood plan for the Bray neighbourhood area. The plan aims to manage the development coming forward in the neighbourhood area to better reflect the wishes of the community in the area and to take greater account of what makes the area special to the community. It sets out a number of objectives for the area and planning policies to guide future development and to help determine planning applications in the area.
