## HOW I CAN SERVE HOLYPORT

### A track record of achievement and dedication

- I have lived in Holyport for 21 years, locally in Springfield Park
- As I am also a Borough Councillor, I bring valuable skills and experience to the local Parish Council
- I have previously served as a Parish Councillor for 8 years and know I will be able to make a big difference for local people
- The statue of Sir Nicholas Winton at Maidenhead station was as a result of my Council motion, providing a long lasting memorial to one of Maidenhead's most famous residents
- My interest and knowledge in planning matters means I am able to help Bray Parish Council deliver to success the Neighbourhood Plan, and to ensure local planning applications are properly considered
- I want to reduce traffic speeds and heavy goods vehicles using Ascot Road, and will work through the Parish into the Borough to see what can be done
- I will work with the Bray Borough councillors to address parking problems in Stroud Farm Road
- I will try to keep the costs of running Bray Parish to a minimum—and avoid tax rises
- As a Board Member of Housing Solutions, I will support local tenants in resolving issues with affordable housing

## YOUR PRIORITIES ARE MY PRIORITIES

- 1 Fight over-development on green fields** - Local green spaces such as near the Water Tower on Holyport Road cannot be replaced
- 2 Ensure the Borough continues to fight heavy traffic** - Big lorries on Ascot Road are a continuing problem
- 3 Put local residents' issues first** - Bringing my experience on the Borough Council to local residents through the Parish
- 4 Ensuring speed limits are observed** - ensuring road safety on Holyport Road, Ascot Road and Moneyrow Green.
- 5 Working with the Borough Council** - avoiding "them and us" problems and just getting the job done!

With Sir Nicholas Winton himself - and his statue - at Maidenhead Station
