### Bray Cemetery

- 1. Gang mow and strim around and over the top of the graves.

### Bray Car Park

- 1. Cut and strim front and back of Bray Village Hall
- 2. Strim the Bunds

### Bray Allotment Track

- 1. Cut and strim track
- 2. Annually cut hedge on right-hand side prior to Bray in Bloom in July.

### Bray Memorial

- 1. Cut and strim grass and edges around Memorial.

### St Michaels Churchyard

- 1. Cut and strim around and over the top of the graves, taking care to ensure plant, flowers and other memorials are not harmed or damaged.

2. Flail and strim natural areas twice a year.

### **Jubilee Field Play Area**

1. Cut and strim inside Play Area.
2. Cut and strim verges on the both outsides of the Play Area.

### **Bray Green and Ditch**

1. Gang mow and strim Bray Green,
2. With smaller machine cut 3 widths from road to allow for trees.
3. Strim ditch and road side.

Please note that care should be taken when strimming to ensure that any wooden posts, bench legs etc are not damaged by the strimmer, especial care should be taken in the Graveyards to ensure that memorials whether plants, flowers or statues etc. are not damaged.

The Council may order additional cuts if and when necessary at an hourly rate to be agreed, however should the weather be such that the grass does not grow so quickly, the Council retains the right to cancel one or more cuts but will avoid this wherever possible.

The contractor will be responsible for either mulching or removing all grass cuttings and leaving all areas tidy at the end of every visit.
