

# Returning equipment that was on loan from the Council or NHS

## We Need Your Help

During the current Corona Virus pandemic it is vital that we make the best use of all available equipment to support people in their own homes. To ensure we keep the supply chain moving we need your help.

If you or a family have equipment that you no longer need you can have it collected **FREE OF CHARGE**. Loan items are like those shown here and can include other equipment too. They will most likely have an NRS Healthcare sticker on them.

To have the equipment collected **FREE OF CHARGE** please contact either:

**NRS Healthcare directly on 0344 893 6960**  
(Monday to Friday 8.30am – 6pm)

Returned equipment will be recycled and could support another person in their everyday life.

*Never pass the equipment to someone else - it may not be suitable for them*

Thank you for your help
