7.5 Tonne Weight Limit on the A330

The item on the 7.5 Tonne Weight Limit on the A330 was brought forward to accommodate attending members of the public.

Cllr Dudley gave an update as there has been extensive discussion on this matter.

The Trading Standards Road Act 1984, allows RBWM to take action against 7.5 tonnes or greater.

RBWM advised they are ready to proceed with an Order for an extensive scheme across large areas of the Parish and wanted to know what roads we want the Road Traffic Order to be on and establishing where the lorry watch should take place.

The Parish Councillors present discussed this subject in detail. Cllr Dudley proposed that enforcement should be in the specific area discussed and either by lorry watch or ANPR. Seconded: Cllr Yates Vote: Unanimous Against: 0 Abstaining: 0 Members of the public left the meeting at 7.50pm. 7.50pm Cllr Marsh joined the meeting.

223/2015.COUNCILLORS' FORUM AND CORRESPONDENCE

<u>Cllr Yates – Phoenix Gym</u> – Since the proposal was last discussed the information on the Borough's website has grown enormously and is not the application that was discussed. Presently, the application is due to be discussed at the DCP November 2015 meeting, and BPC's proposal is for Cllr Wilson to request RBWM that this application be moved to the December DCP meeting.

<u>Cllr Elvin – Plans for the centre of Maidenhead</u> – Cllr Wilson advised in detail future plans for Maidenhead Phase 1 and phase 2 of the centre's development plans including Stafferton Road link road and the shopping centre are underway and include the old Cinema site and the old Top Hat adjacent to the library

The next phase is the Colonnade, from the Bear Hotel down to the funeral directors. All will go, and outline planning has been submitted.

<u>Cllr Graham – Development Strategy</u> – The Councillor mentioned that from time to time planning applications outside of the Parish have an affect within the Parish, and asked would it be possible for a formal invitation to be sent to the Borough to present applicable plans at appropriate times.

<u>Cllr Pierce – Planning Training</u> – Referred to the minutes of the RBWM planning training meeting on the 22nd October 2015 and raised her concern at the implication that Parish Councillors were looking to outsmart Planning Officers and also a probity issue around the implication of the comment 'It's not who you know...........'

Cllr Dudley responded that these comments were not the thoughts of the Borough Council and Cllr Kneen asked that Cllr Wilson take note of this back to RBWM.
